

High Speed Lasers Quality Policy

High Speed Lasers aim to provide a defect free product to its customers on time and within budget.

High Speed Lasers operates a Quality Management & Factory Production Control System that conforms to BS EN ISO 9001:2015 & BS EN10901 requirements.

Our scope for ISO9001:2015 certification is:

“Laser cut parts and the provision of laser cutting, press brake and drilling and tapping services.”

Our scope for BSEN1090 is:

“Laser cut structural steelwork components S275 & S355 steel to be used in construction and civil engineering projects to Execution class 4 and below”

The management is committed to:

1. Developing and improving its Quality Management System (QMS) & Factory Production Control System (FPC).
2. Continuous Improvements of the FPC & QMS is a permanent objective of High Speed Lasers.
3. The enhancement of customer satisfaction.

The management has a continuing commitment to:

1. Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction.
2. Communicate throughout the organization the importance of meeting customer needs and all statutory regulatory requirements.
3. Establish the Quality policy and its objectives.
4. Ensure that the management reviews the quality objectives, and reports on the internal audit results as a means of monitoring and measuring the processes and the effectiveness of the quality management system.
5. Ensuring availability of resources.
6. Increase its profits each year by organic growth and customer satisfaction. Thereby creating value for our customers and maximising profits for our shareholders.

The structure of the quality management system is defined in the ISO 9001:2015 Standard.

All personnel understand the requirements of this quality policy and abide to the requirements of the quality policy.

High Speed Lasers complies with all relevant statutory and regulatory requirements including those of BS EN 1090.

High Speed Lasers constantly monitors its quality performance and implements improvement when appropriate.

This quality policy is regularly reviewed in order to ensure it continuing suitability.

Copies of the quality policy are made available to all members of staff. Copies of the minutes of management reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality Management System (QMS).
